

## How we support our customers

- \_ We provide safe and compliant liquid hazardous waste removal and disposal services that meet all EPA regulations
- \_ We can arrange a scheduled pick-up service for your liquid waste
- \_ We offer liquid advisory and maintenance services to meet your specific needs
- \_ We operate a modern fleet of vehicles with advanced technology to transport liquid waste safely and efficiently

**REMONDIS®**  
WORKING FOR THE FUTURE

### About REMONDIS Australia

Established locally in 1982, REMONDIS Australia is part of one of the largest recycling, service and water companies in the world.

As a family-run company and a leader in the delivery of environmental solutions, REMONDIS Australia has around 1,000 employees and 560 vehicles operating from our advanced facilities across Australia.

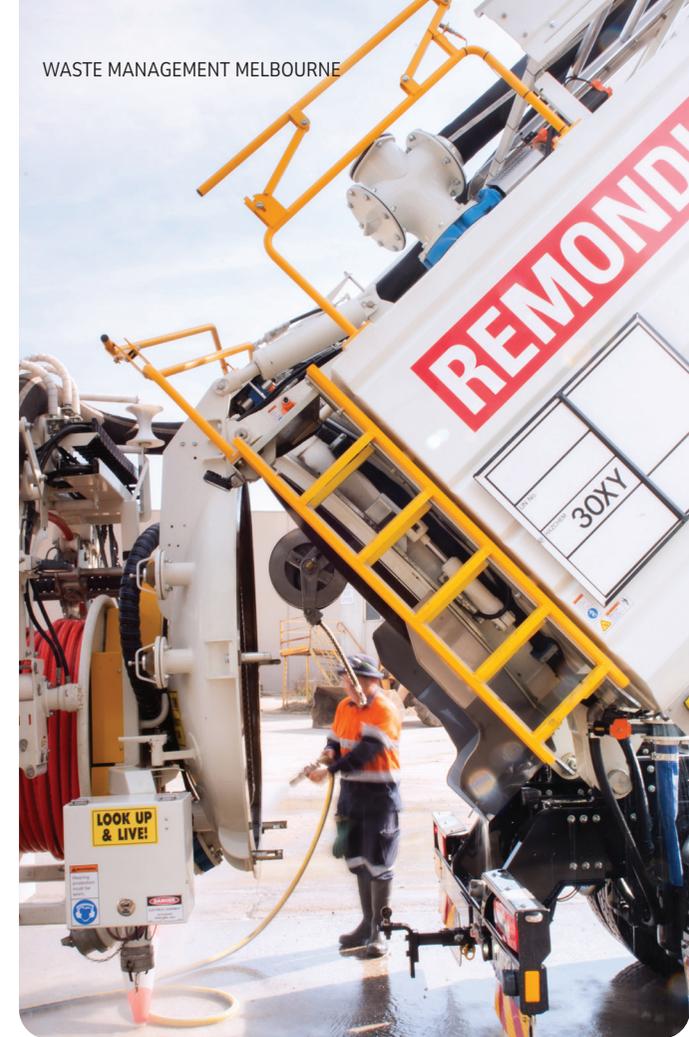

As one of Australia's leading recycling and waste management companies, we leverage our local knowledge and global expertise to serve more than 24,000 industrial and commercial customers throughout the country.

By sharing our knowledge and expertise, diverting waste from landfills and supporting responsible waste management practices, we believe we can work together to bring the vision of a sustainable Australia closer to reality.
